

About us

The Mexican Chamber of Commerce in Great Britain (MexCC) is an independent, non-profit, private membership organisation. The main objective of the MexCC is to assist its members to identify business opportunities and do business successfully in the United Kingdom and Mexico.

Funded in 2011, the MexCC works in coordination with both governments, their respective Embassies and promotion agencies, as well as with other private sector organisations in Mexico and the UK, and is the authoritative voice of the Mexican private sector before the international business community in London.

Our goals

- Promote trade and investment between the United Kingdom and Mexico
- Provide the best professional and social platform and facilitate business opportunities
- Support the Mexican-British business community through a range of services tailored to our members' requirements and accompanying them in specific ventures
- Participate in the public debates regarding trade and policy issues between Mexico and the UK and represent the Mexican business community in the UK before governments and private organizations

Network

Members of the MexCC have access to a wide network of peers across diverse sectors, and around the world.

The MexCC is an active member of the Council of Foreign Chambers of Commerce (CFCC), The Council of Mexican Chambers Abroad (CONCAMEXT) and the Council of Iberoamerican Chambers (CIAC) with whom we regularly organize joint events.

The MexCC works with a broad range of strategic partners in Mexico and the UK including charities, media partners and academic institutions.

Membership Advantages

The issues and concerns of our members dictate our agenda through our Board of Directors, Board of Advisors, General Manager and Volunteers. To help us fulfill this goal the MexCC offers:

- Events and Networking: We provide our members with an inclusive networking platform through which companies and individuals, engaged in trade and investment between Mexico and the UK, may interact through.
- Support when arranging visits and meetings or participating in trade missions in Mexico and the UK.
- Positive PR impact arising from participation in and support of a variety of value adding MexCC initiatives and events.
- Sharing of business information and opportunities.
- Wider affiliation of Chamber members to other business and non-business related bodies such as CIAC and CFCC.
- Invaluable introductions to decision-makers among potential partners and clients/ customers
- Special access to events such as business breakfasts, seminars and social events (free or special rates entrance to most of the MexCC and MexCC partner's events).
- Useful contacts with the Mexican and British Embassies, government agencies and other partner trade and research organisations.
- Opportunity to potentially support and benefit from those companies looking to either expand into the UK from Mexico or invest in Mexico.
- The opportunity to showcase your company and its events through presentations, profile on the website and in the MexCC's Newsletters, and personal introductions
- Up-to-date and relevant information on the Mexican and UK economies, via conferences and seminars, the MexCC newsletters and the MexCC website.
- Special 'Member's only' promotions in services and products

Patrons of the MexCC

There are different categories of members in the MexCC that suit small, medium and large companies.
