

Milène Hayaux du Tilly is the General Manager of the Mexican Chamber of Commerce in Great Britain - MexCC, the first Mexican Chamber of Commerce to be established in Europe (www.mexicanchamberofcommerce.co.uk) and has been in this position since January 2015.

Milène is an architect and urban designer, she co-founded Hayaux du Tilly Asesores en Vivienda, S. C. in 2002 a Consultancy firm specialized in social housing and housing development urban design nationwide.

During her practice she was a member of (COPARMEX) - The Mexican Confederation of Employers and became a representative for this organization at the National Housing Committees before the Institute of the National Housing Fund for workers (INFONAVIT) and the National Housing Commission (CONAVI) until 2009.

Having previously been involved in sustainability projects and water protection in Coahuila, Mexico she moved to the Netherlands to learn more about organic farming and distribution. Milène worked for 5 years and was responsible of quality surveillance and distribution of organic products in the Nord-Holland Province.

In 2014 she was offered the position of project manager for the “Mexico and United Kingdom Dual Year 2015” at the MexCC where she became the General Manager and was appointed Director in 2015. As such, she represents businesses from entrepreneurs to multinational corporations across a range of sectors like, energy, financial services, food & drinks, infrastructure, insurance, etc.

The MexCC has developed a platform and network of contacts in the UK to support its members in growing their business contacts, pursuing and researching business opportunities and in general, help them attain their objectives in the UK and Mexico. The MexCC publishes weekly and monthly newsletters and organizes a comprehensive number of events to promote bilateral business opportunities in strategic sectors to its members, including the Mexico Day, LexMex, TechMex and Networking Drinks. The MexCC is the authoritative voice of the Mexican private sector before the international business community in London and collaborates and works in coordination with both the Mexican and UK Governments, their respective Embassies and promotion agencies, as well as private sector organisations in Mexico and the UK.
