

MAESTRO DOBEL

MAESTRO DOBEL DIAMANTE

Made with 100% Pure Agave, this exceptional tequila is unique in its category; it has been formulated using a mixture of Extra-Añejo, Añejo and Reposado tequilas. Despite classification as Reposado, it is unlike any other in its class. Maestro Dobel Diamante is completely clear.

It is the first multi-aged tequila aged using wood barrels that come from the Balkan Region of Eastern Europe. After extensive research into countless types of barrels, these barrels were chosen specifically for the unique flavors and aromas they impart. Our aim is to offer a smooth, balanced tequila created using 100% natural processes that give it a soft, yet robust agave flavor enhanced through notes of wood. The result is a pleasant contrast in this crystal clear tequila.

MAESTRO DOBEL AÑEJO

Agave plants are carefully selected and receive meticulous care during their cultivation. These agaves are harvested when the soil is still dry, which allows for greater concentration of sugars and more agave essence in the flavor. Afterwards, this mixture goes through a slow cooking process where sugars are extracted to be processed separately. The fermentation phase is 100% natural and uses yeast selected from the concentrated juices. A double-distillation process is then carried out to slowly and carefully remove any remaining parts of the agave plant and obtain the purest tequila.

For our Añejo tequilas, the aging process is done in select White Oak barrels that have been roasted, accentuating the aromas and flavors they impart. Combining vintages of the tequila from the different phases of the aging process is unique to Maestro Dobel tequilas and results in superior flavors.

AÑEJO NEVER FOLLOW A DEFINED AND DISTINCT CHARACTER

A defined and distinct character stands above the crowd. Aged in American white oak barrel then “paired” with a European oak reserve just before bottling for a deeper complexity of flavor. Best savored slowly on its own, either neat or on the rocks.
